Each Owner vests in the Association, or its assigns, the right and power to bring all actions at law or lien foreclosure against such Owner or other Owners for the collection of such delinquent assessments.

**6.9 Notice of Lien.** No action shall be brought to foreclose an assessment lien less than thirty (30) days after the date a notice of claim of lien is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of said Lot, and a copy thereof is recorded by the Association in the office of the Bernalillo County Clerk; said notice of claim must recite a good and sufficient legal description of any such Lot, the record owner or reputed owner thereof, the amount claimed (which shall include the interest charges, costs and attorney's fees recoverable by an action at law) and the name and address of the Association.

**6.10 Foreclosure Sale.** Any such sale provided for above is to be conducted in accordance with the customary practice of the court of the State of New Mexico, applicable to the foreclosure of Mortgages, or in any other manner permitted or provided by law. The Association, through its duly authorized agents, shall have the power to bid on the Lot at a foreclosure sale and to acquire and hold, lease, mortgage and convey the same.

**6.11 Curing a Default.** Upon the timely curing of any default for which a notice of claim of lien was filed by the Association, the officers of the Association are hereby authorized to file or record, as the case may be, an appropriate release of such notice, upon payment by the defaulting owner of a fee, to be determined by the Association, to cover the costs of preparing and filing and recording such release, together with the payment of such other costs, interest or fees as shall have been incurred.

**6.12 Cumulative Remedies.** The assessment lien and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including, (i) bringing a suit to recover a money judgment for unpaid assessment, as above provided and/or (ii) notifying the applicable mortgage company and/or Credit Bureau, (iii) and refer the collection of the assessment to a collection agency.

**6.13 Certificate of Payment.** The Association shall, upon demand, furnish to any owner liable for assessments, a certificate in writing signed by an officer of the Association, setting forth whether the assessment on a specified Lot have been paid, the amount of the delinquency, if any. A reasonable charge may be made by the Board for the issuance of these certificates. Such certificate shall be conclusive evidence of payment of any assessment therein stated to have been paid.

**6.14 Commencement of Annual Assessment.** Except for Homes constructed on Lots that are owned by the Declarant, the maintenance assessments provided for in this Article shall commence as to each Lot upon closing. The first such annual assessment shall be prorated for each Lot for the period from commencement as provided in this section to the start of the next fiscal year following such commencement. In the event that the Association has inadequate revenues from maintenance assessments to maintain the Common Area and the Landscape Area, the Developer shall meet this shortfall; this obligation shall cease after the closing of the sale of the last Lot owned by the Developer. The Developer may choose between paying assessments for each Lot owned or meeting the shortfall.

**6.15 Declarant's Obligation for Assessments.** During the Class II control period, Declarant may annually elect either to pay regular assessments on its unsold units, or to pay the difference between the amount of assessments collected on all other units subject to assessments and the amount of actual expenditures by the Association during the fiscal year.

## ARTICLE 7

### Duties and Responsibilities of Owners

**7.1 Owner's Responsibility to Repair and Insure.** Each Owner shall be responsible for the maintenance and repair of his Home, his Lot and any Improvements and fixtures, and his landscaping, other than landscaping within the Common Area or the Landscape Area, which shall be maintained by the Association. Each Owner shall keep such owner's Home insured against hazards included under standard policies for fire and extended coverage sufficient to cover the replacement cost of the home, and for personal liability, including personal injury and death and property damage, in amounts and under terms which are standard in the Albuquerque area.

#### 7.2 Joint Maintenance by Owners.

(a) Each wall which is built as part of the original construction of the Subdivision and placed on the dividing line between Lots shall constitute a party wall. Each part of the structure of a building which is shared by more than one dwelling is a common structure. To the extent not inconsistent with the provisions of this Section, the general rules of law regarding party walls and liability for property damage due to negligence or willful acts or omission shall apply.

(b) The cost of reasonable repair, maintenance and replacement of a party wall, common structure or joint utility shall be shared by the owners who make use of the wall in proportion to such use.

(c) Notwithstanding any other provision of this Section, an Owner who, by his negligent or willful act, causes a party wall or common structure to be exposed to the elements shall bear the whole cost of furnishing the necessary protection against such elements.

(d) The right of any Owner to contribution from any other Owner under this Section shall be appurtenant to the Lot and shall pass to such Owner's successors in title.

**7.3 Observance of Subdivision Restrictions.** Each Owner shall comply with the Subdivision Restrictions and will cause and be responsible for Owner's family, agents, guest, contractors, employees and any person renting or leasing owner's dwelling to do likewise.

## ARTICLE 8 Construction and Architectural Control

**8.1 Architectural Control Committee.** A committee to be known as the Architectural Control Committee will be established consisting of three (3) members.

(a) The members of the Committee will be appointed, terminated and/or replaced by the Declarant so long as there is Class II Membership. Thereafter the members of the Committee will be appointed, terminated and/or replaced by the Board of Directors. The members initially appointed to the Committee are Jody Pauza, Wade Wingfield and Marianne Baca.

(b) The purpose of the Committee is to enforce the architectural standards of the community and to approve or disapprove plans for improvements proposed for the Lots.

### **8.2 Construction of Improvements.**

(1) No improvement of any kind, installations, roofing, exterior painting, landscaping, grading or drainage changes, or texturing (including re-stucco), shall ever be, or permitted to be, erected, constructed, installed placed or maintained on any Lot within the Subdivision, unless and until the final plans, specifications and elevations therefore shall have received written approval of the Committee. All such final plans shall include plot plans showing the location on the Lot of all improvements proposed to be constructed and/or installed, planted, placed or maintained on the lot and shall further include elevations, together with the proposed color schemes and textures for roofs and exteriors thereof, indicating the materials for same.

All proposed work shall comply with applicable City requirements and shall have any and all required City permits (or shall qualify for such permits, to the satisfaction of the Committee).

plans and specifications. Payment of the required charge together with any delinquent assessments shall be a part of, and condition to, the submittal of plans and specifications for committee approval. Costs incurred in the hiring of services of a professional engineer or other consultant shall be the responsibility of the Owner.

(b) The Committee shall approve or disapprove within thirty (30) days after receipt thereof and specifications which have been submitted to it. One set of plans and specifications, with the Committee's approval or disapproval and requirements endorsed thereon, shall be returned to the applicant and the other copy thereof, with a duplicate endorsement thereon corresponding to the first set, shall be retained in the Committee's files.

In the event that the Committee shall fail to approve or disapprove the plans and specifications within thirty (30) days after receipt thereof by the Committee, then such plans and specifications shall be deemed disapproved, and the submitting Owner shall have a right of immediate appeal to the Board, which shall convene a special meeting to consider such plans and specifications.

(c) Any Improvement or work completed or done without compliance with the procedure set forth in this Article shall be deemed nevertheless to have been done in compliance with such procedure if no action has been commenced to enforce the provisions of this Article against such improvement or work within one (1) year of its completion; provided that the foregoing limitations period shall not apply in the case of any structure, building or other improvement shall be installed, erected, painted, textured, altered or modified which violates any of the Restrictions.

(b) No Improvements including excavation or grading work or changes shall be performed within the Subdivision unless in compliance with the Site Plan and the Grading and Drainage Plan.

**8.3 Liability.** Neither the Committee, the Board nor any member thereof shall be liable to the Association or to any Owner for any damage, loss, or prejudice suffered or claimed on account of:

- (a) The approval of any plans, drawings, and specifications, whether or not defective,
- (b) The construction or performance of any work, whether or not pursuant to approved plans, drawings, and specifications,
- (c) The development or manner of development of any property within the Subdivision, or
- (d) The execution and recording of an estoppel certificate whether or not the facts therein are correct; provided, however, that the officer executing the certificate, with the actual knowledge possessed by him, has acted in good faith.

Without in any way limiting the generality of the foregoing, the Committee, Board, or any member thereof, may, but is not required to, consult with or hear any Owner with respect to any plans, drawings, or specifications, or any proposal submitted to it.

## ARTICLE 9 Protection of Security Interests

**9.1 Application of Assessment to Mortgages.** The liens created under the Subdivision Restrictions upon any Lot shall be subject and subordinate to, and shall not affect the rights of a mortgagee under any recorded first mortgage upon a Lot made in good faith and for value, provided that after the foreclosure of any such mortgage the amount of all maintenance and special assessments, and all delinquent assessments to the extent such delinquent assessments relate to expenses incurred after such foreclosure, assessed hereunder to the purchaser at foreclosure sale, shall become a lien upon such lot upon recordation of a notice thereof with the County Clerk or other appropriate real estate recorder.

**9.2 Right to Notice.** The Association shall provide all Eligible Mortgagees with timely written notice of any delinquency in the payment of monthly assessments, special assessments or other charges due the Association by the Owner of a Lot which is subject to a first mortgage held, by any Eligible Mortgagees and which delinquency remains uncured for a period of sixty (60) days or more.

**9.3 Limitation of Enforcement Against Mortgagee.** No violation by an Owner of the Subdivision Restrictions or enforcement of the Subdivision Restrictions against an owner shall defeat or render invalid the lien of any mortgagee made in good faith and for value against the property of such owner, but the Subdivision Restrictions shall be effective against any owner whose title is acquired by foreclosure, trustee's sale, voluntary conveyance, or otherwise.

**9.4 Rights of Mortgagee to Information.** A mortgagee shall, upon written request, be entitled to inspect the Declaration, Bylaws, Rules and Regulations, books and records of the Association on the same basis as a Member. If a mortgagee furnishes the Association, in writing, with its address, it shall be entitled to receive within a reasonable time financial statement for the immediately preceding fiscal year, free of charge and shall receive notice of meetings and the same basis as member.

**9.5 Application of Subdivision Restrictions.** Except as provided in this Article or specifically provided elsewhere in the Subdivision Restrictions, all mortgages and mortgagees are bound by the provisions of the Subdivision Restrictions.

**9.6 Collection of Assessment.** A mortgagee shall be under no obligation to collect assessments.

## **ARTICLE 10**

### **Limitation of Subdivision Restrictions on Developer**

**10.1 Limitation of Subdivision Restrictions on Developer.** Nothing in this Declaration shall be understood or construed to prevent Developer or its agents, employees, and contractors from:

(a) Doing on the properties whatever is reasonably necessary or advisable in connection with the completion of the infrastructure and other development work; or

(b) Erecting, constructing and maintaining on any part or parts of the Subdivision, such structures as may be reasonably necessary for the conduct of its business of completing the work and establishing the Subdivision, including, without limitation, sales offices, model units, general business offices or its staff, employees and contractor, and storage and parking facilities for materials and equipment, and disposing of the Subdivision in parcels by sale, lease or otherwise; or

(c) Maintaining such sign or signs on the Subdivision as may be necessary for its sale, lease, or disposition, or the sale, lease or disposition of any one or more Homes.

**10.2 Use of Subdivision Name.** Developer may use the name of the Subdivision and the Subdivision Restrictions in other subdivisions or projects, whether located adjacent to the Subdivision or not, provided such names have a distinctive number or other designation so that they are not identical with the names of the Subdivision and Association. Consent is hereby given to Developer and Developer's assigns to use such names in the name of a corporation and upon request of Developer, the Association agrees to execute a written consent authorizing Developer to use the same or similar name, which consent may be filed with the New Mexico Regulation Commission or similar agencies in New Mexico and other States.

**10.3 Developer Architectural Control Exemption.** Improvements by Developer to the Subdivision do not require approval of the Committee.

**10.4 No Amendment or Repeal.** The provisions of this Article may not be amended or repealed without the consent of Developer.

**ARTICLE 11**  
**Miscellaneous Provisions**

**11.1 Amendment or Repeal; Duration.**

(a) These Restrictions and any provisions thereof which are in effect with respect to all or part of the Subdivision, may be amended or repealed by occurrence of both of the following:

(1) The approval by seventy-five percent (75%) vote or written consent of the voting power of the membership in the Association and the consent of the Developer so long as the Developer owns any Lots within the Subdivision; and

(2) The recordation of a certificate of the Secretary the Association setting forth, in full, the amendment or amendments so approved, including any portion or portions of this Declaration repealed, and certifying that such amendments or repealer have been approved by the required vote or consent of the owners, and if necessary, by the consent of the Developer.

(b) Developer may amend, modify, or terminate these Restrictions by a recorded instrument of amendment or correction:

(1) At any time during which Developer is the owner of at least one (1) Lot in the property within the Subdivision, thereafter by written consent of the Owners owning 75% or the Lots in the property; or

(2) At any other times, where the only effect or such amendment is to correct manifest errors, omissions or inconsistencies.

(c) The Declaration shall be effective upon the date of Recording hereof and, as amended from time to time, shall continue to full force and effect until December 31, 2034. From and after said date, this Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by a quorum of the Members casting two-thirds (2/3) of the total votes cast at an election held for such purpose in person or by proxy within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension. The Declaration may likewise be terminated at any time if two thirds (2/3) of the quorum of the votes cast by each class of Members shall be cast in favor of termination at an election held for such purpose. If the necessary votes and consents are obtained, the Board shall cause to be recorded with the County Recorder of Bernalillo County, New Mexico, a Certificate of Termination, duly signed by the President or Vice President and attested by the Secretary of the Association, with their signatures acknowledged. Thereupon this Declaration and the covenants contained herein shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles.

**11.2 Enforcement; Non-Waiver; No Forfeiture.**

(a) Except to the extent otherwise expressly provided herein, the Association or any Owner or Owners shall have the right to enforce any of the provisions now or hereafter imposed by the Subdivision Restrictions upon other Owners, or upon any property with the Subdivision.

(b) Except to the extent otherwise expressly provided herein, any Owner or Owners shall have the right to enforce any of the provisions now or hereafter imposed by the Subdivision Restrictions upon the Association.

(c) Every material violation of all or part of any restriction, condition, or covenant of the Subdivision Restrictions is hereby declared to be and to constitute a nuisance and may be enjoined or abated, whether the relief sought is for negative or affirmation action, by the Association or by an Owner or Owners, as provided in this Section. Any provisions to the contrary notwithstanding, only the Association

or its duly authorized agents may enforce by self-help (and then only to the extent that self-help is available by law) any limitation, restriction, covenant, condition, or obligation herein set forth.

(d) Each remedy provided for in this Subdivision Restrictions is cumulative and not exclusive.

(e) the failure to enforce the provisions of any limitation, restriction, covenant, condition, obligation, lien or charge of the Subdivision Restrictions shall not constitute a waiver of any right to enforce subsequently any such provision or any other provision of the Subdivision Restrictions.

(f) No breach of any of the provisions of the Subdivision Restrictions shall cause any forfeiture of title or reversion or bestow any rights of re-entry whatsoever.

(g) Reasonable attorneys' fees and costs may be awarded in any action brought to enforce the provisions of the Subdivision Restrictions.

### **11.3 Construction, Compliance with Laws, Etc.**

(a) All of the limitations, restrictions, covenants, and conditions of the Subdivision Restrictions shall be liberally construed, together, to promote and effectuate the beneficial operation of the Subdivision.

(b) No provision of the Subdivision Restrictions shall be construed to excuse any person from observing any law or regulation of any governmental body having jurisdiction over such person or the Subdivision.

(c) Notwithstanding other provisions in this Section, the limitations, restrictions, covenants, and conditions or the Subdivision Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provisions, or portion thereof, of any of such limitations, restrictions, covenants, or conditions shall not affect the validity or enforceability of any other provision.

(d) The singular shall include the plural and the plural, the singular, unless the context requires contrary, and the masculine, feminine and neuter, as the context requires.

(e) The Table of Contents and all titles used in the Subdivision Restrictions, including those of Articles and Sections, are intended solely for convenience of reference and the same shall not affect the content of these such Subdivision Restrictions.

### **11.4 Lot of Splitting; Consolidation.**

(a) No Lot within the Subdivision shall be split, nor shall two or more lots within the Subdivision be consolidated into one Lot, unless the Board shall have given its written consent.

(b) Nothing contained in this Section shall apply to the splitting or consolidation of any Lots by Developer.

(c) The Association can require a change in the voting rights and assessment obligation in any Lot split or consolidation to maintain consistency in the assessment and voting rights of such Lot or Lots.

### **11.5 Obligations of Owners; Avoidance; Termination.**

(a) No owner, through the abandonment of the Owner's Lot, may avoid the burdens or obligations imposed on such owner by the Subdivision Restrictions.

(b) Upon the conveyance, sale, assignment or other transfer of a Lot to a new Owner, the transferring Owner shall not be liable for any assessments levied with respect to such Lot after the date such transfer is recorded, provided such transferring Owner notifies the Association of the transfer as provided by the Subdivision Restrictions, and no person, after the termination of his status as an owner and

prior to his again becoming an Owner, shall incur any of the obligations or enjoy any of the benefits of an Owner under the Subdivision Restrictions following the date of such termination.

**11.6 No Partition or Severance of Interests.** There shall be no partition or severance of any Lot from or within the Subdivision, and the Developer, Board, Association and Owners shall not seek to partition or sever any part of a Lot in the Subdivision, nor shall they have any right to maintain an action for judicial partition in connection with the Subdivision unless such right is expressly given by the Subdivision Restrictions. This provision shall not prevent the partition of any Lot or Lots held in joint ownership as long as no physical partition takes place and there is no severance from any incident of the Subdivision Restrictions. No owner shall attempt to sever his Lot from its interest in the Association.

**11.7 Notices; Documents; Delivery.** Any notice or other document permitted or required by the Subdivision Restrictions to be delivered may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered seventy-two (72) hours after a copy of the same has been deposited in the United States mail, postage prepaid, addressed as follows:

**If to an Owner;** At any Home within the Subdivision owned by the Owner or at such other address given by Owner to the Association, in writing.

**If to Developer or to the Association:**

Autumn View HOA  
c/o Fuller Homes  
P.O. Box 13900  
Albuquerque, NM 87192

Any such address may be changed from time to time by any Owner, or by Developer by notice in writing, delivered to the Association, or by the Association, by notice in writing, delivered to all Owners.

**11.8 Ownership of Property.** All funds and facilities provided for by the Subdivision Restrictions and all property of any kind held by the Association and derived from assessments of members, proceeds of insurance carried or obtained by the Association, proceeds of bonds payable to the Association or payment received for damages to the Subdivision, and any right or interest in any such property, shall belong beneficially to the Owners in proportion to each Owner's share of the maintenance assessment, and no assessment or the proceeds of any assessment shall be considered income to the Association. No person has any right to appropriate or make use of such property, except as provided by the Subdivision Restrictions unless and until there has been a partition or distribution of such property. All such property shall be appurtenant to each Lot in proportion to each Lot's share of the maintenance assessment and may not be severed or separated from any Home, and any sale, transfer, or conveyance of the beneficial interest of the fee of any Home shall operate to transfer the owner's rights in such property without the requirement of any express reference thereto.

**11.9 Transfer of Common Area.** Upon recording of this Declaration, Developer shall be deemed to have transferred and conveyed to the Association, and the Association shall accept, the Common Areas. The Common Areas may be subject to any or all of the following exceptions, liens, and encumbrances:

- (a) The lien of real property taxes and assessments not delinquent;
- (b) Such easements and rights of way as may have been offered for dedication to a political subdivision or public organization, or public utility corporation;
- (c) Such easements and rights of way, licenses or rights of use on, over, or under all or any part of any such property or structures or Improvements thereon as may be reserved to Developer or granted to any Owner for the use thereof in accordance with the provisions of these Restrictions;
- (d) Obligations imposed, directly or indirectly, by virtue of any statute, law, ordinance, resolution or regulation of the United States of America, the State of New Mexico, or any other political subdivision

or public organization having jurisdiction over such property, or by virtue of any organization or body politic created pursuant to any such statute, law, ordinance or regulation; and

(e) Any other lien, encumbrance, or defect of title of any kind whatsoever (other than of the type which would at any time, or from time to time, create a lien upon such property to secure an obligation to pay money) which relates to the construction by Developer and its agents of the subdivision improvements for the Subdivision, such as curbs, gutters, streets and utility lines, or which would not materially and actually prejudice owners in their use and enjoyment of such property.

**11.10 Interpretation of the Declaration.** The Association, by its Board, shall have the exclusive right to construe and interpret the provisions of this Declaration.

**11.11 Compliance, Rights, and Recovery.** Each lot owner shall comply strictly with the covenants, conditions, restrictions, and easements set forth in this Declaration. In the event of a violation or breach, or threatened violation or breach, of any of the same, the Declarant, the Architectural Control Committee, the Association, or any Lot Owner, jointly and severally shall have the right to proceed at law or in equity for the recovery of damages, reasonable monetary fines and other sanctions for violations of this Declaration, for injunctive or other equitable relief, or all of the foregoing. If any Owner or the Association is the prevailing party in any litigation involving this Declaration, then that party also has a right to recover all costs and expenses incurred (including reasonable attorneys' fees and paralegal fees together with any applicable sales or use tax thereon). However, no Owner has the right to recover attorney's fees from or against the Association, unless provided by Law. Failure by the Declarant, the Architectural Control Committee, the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

In addition to the above rights, the Association and the Architectural Control Committee shall have a Right of Abatement if the Owner fails to take reasonable steps to remedy any violation or breach within thirty 30 days after written notice sent by certified mail. A Right of Abatement, means the right of the Association or the Architectural Control Committee, through its agents and employees, to enter at all reasonable times upon any Lot or Structure, as to which a violation, breach or other condition to be remedied exists, and to take the actions specified in the notice to the Owner to abate, extinguish, remove, or repair such violation, breach, or other condition which may exist thereon contrary to the provisions hereof, without being deemed to have committed trespass or wrongful act by reason of such entry and such actions; provided such entry and such actions are carried out in accordance with the provisions of this Article. The cost thereof including the costs of collection and reasonable attorneys' fees and paralegal fees (together with any applicable sales or use tax thereon) together with interest thereon at higher of the rate of eighteen percent (18%) per annum or the Judgment Rate of Interest established pursuant to Section 56-8-4 of the New Mexico Statutes Annotated, as amended from time to time, shall be a binding personal obligation of such Owner, enforceable at law, and shall be a lien on such Owner's lot enforceable as provided herein.
